## DAR Good Citizens

The DAR Good Citizens Award and Scholarship Contest, created in 1934, is intended to encourage and reward the qualities of good citizenship.

This award recognizes and rewards individuals who possess the qualities of dependability, service, leadership, and patriotism in their homes, schools, and communities. These students are selected by their teachers and peers because they demonstrate these qualities to an outstanding degree.

This program is only open to high-school seniors whose schools are accredited by their state board of education.

Only one student per year may be honored as a school's DAR Good Citizen.

Once a student is chosen as the DAR Good Citizen, she or he is invited to participate in the scholarship portion of the program. This consists of assembling a personal statement, a high school transcript, recommendations, and an essay. Student participation in the scholarship portion of the program is optional.
